

Patras, 3/9/19

Ref. No.: 2377

Invitation for Expression of Interest:

Postdoctoral/Research Assignment "Extension of the operation of atmospheric simulation chamber infrastructure to enable the studies of the impact of air quality on health and cultural heritage"

The Institute of Chemical Engineering Sciences, Foundation of Research and Technology - Hellas, (FORTH/ICE-HT) is seeking applicants for one postdoctoral/research assignment in the context of the research project "EUROCHAMP-2020 Integration of European Simulation Chambers for Investigating Atmospheric Processes – Towards 2020 and beyond", which is implemented under the EU-Horizon 2020 Research Framework Programme.

Job Description

To conduct research in the framework of the aforementioned project "EUROCHAMP-2020". The main objective of EUROCHAMP-2020 is to integrate the most advanced European Atmospheric Simulation Chambers into a world-class infrastructure for research and innovation in atmospheric science and related fields. The objective of this job is to improve the operation of the FORTH atmospheric simulation chamber.

Location: FORTH/ICE-HT, Patras, Greece

Duration: 6 months, with the potential of renewal

Salary: 3000 Euros per month (total cost of the employer, including social security and taxes)

Envisaged starting date: 1/10/2019

Requirements and Qualifications

Candidates are required to hold a PhD in Chemical Engineering or Environmental Sciences. Moreover, the candidate must be fluent in English. The evaluation of the candidacies will be based on the following criteria and qualifications:

Qualifications	Weight	Evaluation criteria
PhD in Chemical Engineering or Environmental Sciences	30	PhD thesis relevant to atmospheric aerosols
Proven experience in atmospheric aerosol research	40	Duration of proven research experience in research groups and projects
Publications on atmospheric chemistry and aerosols	30	Quality and number of related publications in refereed journals and conference proceedings

Application Submission

Interested candidates who meet the aforementioned requirements should submit their applications, no later than 17 September 2019, 16:00h, by email to Kleanthi Zacharopoulou: kleanthi@iceht.forth.gr.

In order to be considered, the application must include:

- Application letter
- CV

www.iceht.forth.gr

Stadiou str., Rio
P.O. Box 1414
GR 265 04 Patras, Greece
Tel. +30 2610 965300
Fax +30 2610 990987
Email: admin@iceht.forth.gr

- Scanned copies of academic titles
- Statement of research interests

Any application received after the deadline will not be considered for the selection.

Selection Procedure

Applications that are received on time will be evaluated by a scientific committee using the criteria mentioned above. If necessary, certain candidates will be invited to a personal interview with the committee.

The outcome of the selection will be announced on the website of FORTH/ICE-HT as well as on the website of "DIAVGEIA".

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact the FORTH/ICE-HT Research Secretariat, e-mail: kleanthi@iceht.forth.gr, tel.: +30 2610 965278.

For information and questions about the advertised position and the research activity of the group or the Institute, candidates are asked to contact Professor Spyros Pandis, tel: +30 2610 969510, e-mail: spyros@chemeng.upatras.gr.

General Protection Data Regulation

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr. You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.

For FORTH/ICE-HT,
Vasilis Burganos
Director
