- Program interdisciplinarity
- Collaborative learning in multidisciplinary teams
- Opportunity for paid internships
- Preparatory courses fostering success and integration
- Instruction provided in French

MASTER IN ENVIRONMENTAL STUDIES FROM A PERSPECTIVE OF SUSTAINABLE DEVELOPMENT

HAVE GOOD
ORAL AND WRITTEN
COMMUNICATION
SKILLS?

That means that you are able to:

- Understand and take part in conversations or discussions on a familiar topic.
- Understand media (television, newspapers, Internet).
- Write clearly and comprehensively to convey information or express an opinion.

Admission

The various admission conditions for international students can be found at USherbrooke.ca/environnement/etudiants-internationaux. Advanced knowledge of French* and sound mastery of common software programs are required.

** With respect to program recruitment, advanced knowledge of French implies that you readily understand the language and that you are able to speak fluently and express an opinion (level B2 of the Common European Framework of Reference for Languages).*

The Université de Sherbrooke is a French-language institution at which all educational and learning activities as well as all academic and administrative business are conducted in French. It is located about 90 minutes from Montréal, 2 hours from Québec and 45 minutes from the United States.
