

**DNV Nemko Presafe** is a global TIC (Test, Inspection and Certification) company specialized in medical devices and equipment for potential explosive atmospheres (Ex). We provide efficient and reliable compliance and training services based on major international and local safety and quality standards.

DNV Nemko Presafe is owned by the two global companies DNV GL Business Assurance and Nemko. We provide our joint services globally.

## **Are you clinician, pharmacologist or toxicologist with an interest in medical devices?**

### ***Product assessor***

**The business area of medical devices is continuously growing and expanding its service offerings with increasing complexity. Our services range from design review of high and medium risk medical devices for approval according to the EU directive and certification of management systems according to ISO 13485. We also provide services outside Europe; USA, Canada and Taiwan are other major markets for medical devices. We are now looking for a new product assessor who can contribute and support further growth.**

#### **Main tasks for product assessor, medical devices:**

- Activities related to the third party role as Notified Body and Certification Body. This includes:
  - Evaluation of product design against standards and requirements
  - Technical review of project activities/files
  - Close co-operation with our international partner networks

#### **The ideal candidate:**

- Has a Medical Degree or BSc degree, MSc degree or PhD in a discipline relevant to medical device manufacture and use (pharmacology, toxicology)
- At least 4 years of relevant experience is required
- Structured, able to show initiative and to work independently
- Good communication skills and customer focus
- Fluent in English and preferably one Scandinavian language

#### **DNV Nemko Presafe offers:**

- Varied tasks and technical challenging assignments
- Colleagues with high technical skills
- International network
- A defined business strategy with clear goals
- Employment in a company owned by two strong brands, known for their values when it comes to quality and integrity
- Competitive terms

We ask you to kindly send your application to Morten Egeberg or Bente Grobstok by latest 10<sup>th</sup> May 2015.
