

**ST. CATHERINE'S BRITISH SCHOOL
ATHENS, GREECE.**

TWO PART-TIME TEMPORARY POSTS:

- 1. SCIENCE LABORATORY TECHNICIAN (50% FTE)**
- 2. ASSISTANT SCHOOL NURSE (50% FTE)**

The successful candidates will work with experienced full-time personnel in each of the areas and the role will be finalised after due consultation with the successful candidates. Applicants should be bilingual and have excellent interpersonal and communication skills. The successful candidates will have a pleasant disposition and the ability to work within a team. Some experience of laboratory work, ideally within the field of Biology, would be advantageous for the Laboratory Technician post whilst experience within the Nursing/Healthcare sector is required for the Assistant School Nurse position.

St. Catherine's is a leading independent British international school that teaches 1150 pupils from 3 to 18 years of age. The school is a member of HMC, COBIS and is an IBO world school. It teaches the EYFS curriculum and the National Curriculum for England and Wales, as well as IGCSE and the International Baccalaureate Diploma Programme.

Please complete the St Catherine's application form along with your supporting letter and send to pa@stcatherines.gr. Further information regarding the school and details of the application procedure can be obtained from the school's website <http://www.stcatherines.gr/opportunities>

St Catherine's School is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Criminal Records Bureau.

St Catherine's is a Registered Charity No. 313909.

Closing date for applications is 9.00am on Tuesday, 14th June 2016

Interviews will be scheduled as soon as possible thereafter.
