

ST. CATHERINE'S BRITISH SCHOOL
ATHENS, GREECE.

Seeks for September 2016

TEACHER OF SCIENCE - BIOLOGY

A qualified and energetic teacher is sought for a position within the Upper School Science Department at St Catherine's. The successful candidate will have the ability to teach Science across Key Stages 3 and 4 as well as to deliver Biology to IB Diploma level. Science is a dynamic department that successfully delivers Science courses across the Upper School but also works collaboratively with the Lower School within an international setting.

St. Catherine's is a leading independent British international school that teaches 1150 pupils from 3 to 18 years of age. The school is a member of HMC, COBIS, and is an IBO world school. It teaches the EYFS curriculum and the National Curriculum for England and Wales, as well as IGCSE and the International Baccalaureate Diploma Programme.

Please complete the St Catherine's application form along with your supporting letter and send to pa@stcatherines.gr. Further information regarding the school and details of the application procedure can be obtained from the school's website <http://www.stcatherines.gr/opportunities>. Initial Skype interviews will be followed by final interviews in Athens in the week beginning Monday, 4th April 2016.

St Catherine's School is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service (DBS). Please include the names and contact details of three referees.

St Catherine's is a Registered Charity No. 313909.

Closing date for applications is Wednesday 23rd March 2016
