

## Endocrine Middle Grade Doctor

North London, UK

Synergy Medical, a 2016 NHS awarded supplier, is excited to be holding interviews for international doctors who are already in the UK or are planning to make a move this year. **We are looking for a Middle Grade (Registrar Doctor) in Endocrine Medicine.** If you are looking for a new professional adventure and want to hear about the career opportunities we can offer, this is where it starts!

### About the Hospital

Our client is one of the largest acute trusts in the country and the biggest provider of acute healthcare services in NHS North East London and the City (NELC). Their dedicated workforce of 6,500 staff and volunteers serve our local population of around 750,000, from a wide range of social and ethnic groups.

#### Diabetes and Endocrine

The diabetes and endocrine service is an active department dedicated to supporting and improving the lives of its patients. They have six diabetes and endocrine consultants across our sites, with dedicated diabetes specialist nurses. They also have a dedicated podiatry (foot care) service and some dietetic input.

There are dedicated diabetes and endocrine wards on each site with daily ward rounds from the consultants. In addition, there are general medical diabetes and endocrine specialist clinics across both sites which are as follows:

- Metabolic Syndrome (hyperlipidaemia, hypertension, obesity and PCO's)
- Diabetes foot problems
- Thyroid and parathyroid disorders
- Pituitary and adrenal disorder

We have also diabetes nurse led clinics at both hospitals in the Trust.

Joint clinics with other specialist include; foot, antenatal, transitional clinic for adolescents and young people with diabetes, and an insulin pump clinic. We also have joint endocrine clinics with dedicated consultant surgeons, a thyroid/parathyroid adrenal disorder clinic across sites, and a joint pituitary clinic, which is held with the Neuro Surgeons.

The department works in close collaboration with other consultants in different specialties and A&E to provide effective diabetes management across the trust.

There is close collaboration with our community partners and with our consultants undertaking sessional activity with locally based services.

### Hospital Benefits

- Salary: £33,264 to £46,935 depending on professional experience

- Occupational Health and Wellbeing service
- Competitive pension
- An initial guaranteed annual leave entitlement of 27 days (pro rata) rising to 33 days (pro rata) after 7 years' service
- An onsite nursery with discounted prices for staff members - please see the attached information pack for further information.
- Applications from job seekers who require Tier 2 sponsorship to work in the UK are welcome and will be considered alongside all other applications.
