Digital Art Director, for our Digital & Social Media dpt

*Are you interested in joining
our Team?*

*You'll blend creativity with
strategy*, shaping innovative
campaigns that captivate
audiences across digital platforms.

Your keen eye for design and
deep understanding of user
experience will elevate our brands'
digital presence.

Ideally you will have 3+ years
proven experience in a similar role,
with a portfolio showcasing your
creative vision, strong knowledge
of social platforms, digital design
proficiency (within a range of tools
including Adobe Creative Suite,
After Effects and XD are added
benefits) & excellent communication
skills with the ability to articulate
creative concepts to stakeholders
at all levels.

If you're passionate about crafting
experiences that resonate,
we want to hear from you!
