

Digital Art Director

A highly talented individual that will be responsible for the conception, design, and execution of digital visuals to be used in online advertising and digital marketing

Requirements:

- Street smart, fun personality, positive attitude, highly motivated
- Ability to work with Copywriters and produce powerful campaign ideas
- High quality conceptual thinking and execution in both visual and interaction design
- Strong interest in global design trends, technology and social media
- A solid understanding of UI/UX methods and techniques

Experience:

- 4+ years of experience in a top creative/digital agency
- Solid experience in web design and the development of digital communication and Social Media assets
- Breakthrough, award winning portfolio covering various digital design areas

4 Wise Monkeys Working Conditions:

- Brand new offices, in the heart of the vibrant Chalandri area
- Cool Hunting bonus
- Youthful, loud and lively workspace
- The opportunity to work with some of the coolest brands out there
- We work hard and party harder
