

### MARKETING GREECE

#### International PR Manager

**Marketing Greece** is seeking a new member for its PR and Communications team.

You will be able to research and create pitches for international media and blogger visits to Greece, and see the trips through to implementation.

You will also be able to support with other, creative ways to achieve international publicity for Greece as a holiday destination.

And you will have at least 3 years' experience in a similar environment, with great communication and organisational skills.

Excellent Greek and English is a must and working knowledge of French or German a bonus.
