AN ACCOUNT MANAGER PRETTY

PLEASE

Do you know someone who knows someone or, maybe, is it possible that you are that someone?

We are an eclectic boutique creative agency called Saint of Athens, and we are in search of our new account manager.

He/she has got to have at least three years of professional experience in the account management/client service/communication field, along with excellent knowledge of English.

A driven, multidisciplinary, creative and efficient team player is what we are looking for, as our agency covers a wide range of niche, mainstream/commercial and high-profile works regarding projects, clients and brands with complex needs and demanding standards.

Hurry up, the briefs are piling up.

Send your awesome cv at
