

**PUSH THE BOUNDARIES**

**OF QUALITATIVE RESEARCH**

**SENIOR OPPORTUNITY**

**IMMEDIATE APPOINTMENT**

- If you are a qualitative researcher with at least two years' experience
- If you hold a degree in Social Sciences, ideally a Masters from a British or American University
- If you are looking for an intellectual challenge to stretch your thinking
- If you are brave and intuitive with a spirit of curiosity
- If you share our passion for delivering fresh insight into consumer behaviour based on state-of-the-art techniques
- If you wish to make a real difference in blue-chip clients' business

You might well relish working in a friendly and stimulating environment that supports individual career development. All applications will be treated as strictly confidential.
