We are looking to hire a young
Public Relations Specialist
to become part of our team

If you...

- › Have 2-3 years of agency experience in managing communication programs for local and/or international clients
- › Are fluent in written and oral Greek and English
- › Have good organizational and time management skills
- › Are a team player and a multi-tasking personality
- › Are enthusiastic about the diversity and the thrill of working at a public relations agency
- › Can work under tight deadlines and beat the stress
- › Feel you can do the creative thinking, as well as the bureaucracy work
- › Welcome challenges and opportunities to go places (both literally and metaphorically!)
- › Have a personality that inspires confidence to your co-workers, your clients and your partners
- › Are genuinely interested in what's happening in the physical and the digital world
