### Media Director

A dynamic and successful group of companies specializing in media planning / buying, marcom and martech services is expanding and is looking for an equally dynamic and successful professional to lead a Client Service Group of media experts to the next development level.

#### **The Role**

1. Develop the existing client portfolio and win new business
2. Optimize available resources in terms of technology, systems and people
3. Outperform in client experience

#### **The Skills and Experience of the Talented Candidate**

1. Relevant successful business experience of at least 5 years
2. Personal effectiveness and demonstrated success in Client Service
3. Proven effective communication at all levels
4. Academic Degree in Business
5. Critical thinking and excellent people management
6. Proven track record of successful implementation of complex projects.
7. Solutions focused client-centric mindset.

#### **The offering**

1. Attractive remuneration package and perks
2. Opportunities for training and development
3. Friendly and cooperative environment
4. Insights on 4th Industrial Revolution.

*Do you feel confident that you meet the above criteria? Please send your updated CV along with your motivation letter at [hr@maxmediagreece.com](mailto:hr@maxmediagreece.com) not later than 10 working days.*
