**INTRACOM**  
TELECOM

## Graphics & Multimedia Designer

**INTRACOM TELECOM** is a global telecommunication systems and solutions vendor, looking for an agile and highly-motivated "Graphic & Multimedia Designer" to join a dynamic team and contribute to company's visual communication material development. She/he will undertake a variety of tasks related to graphics design, video editing, and 3D animation development:

### REQUIREMENTS

- At least 6 years' proven work experience of experience in Graphic Designing
- Degree in Design, Fine Arts or related field is a plus
- Expert in Adobe Suite (Photoshop, Illustrator, InDesign, After Effects, Premiere)
- Experience in designing and developing 3D environments and animations and motion graphics (very good knowledge of 3ds MAX or equivalent software)

- A keen eye for aesthetics and details
- Excellent communication skills in both Greek and English
- Ability to work methodically and meet deadlines

### PERSONAL CHARACTERISTICS

- Creativity to develop ideas and information in a multimedia context
- Self-development skills to keep-up-to-date with fast-changing trends
- Teamwork skills
