Wunderman Thompson is seeking to hire an ambitious **Social Media Manager** to manage our clients' portfolio!

**What you'll do:**

- Manage the Social Media accounts of our clients.
- Create original content in English and Greek and maintain a post calendar
- Coordinate with the designer for the necessary creatives.
- Schedule & publish content on various social media platforms, such as Facebook, Instagram, YouTube, etc.
- Communicate and coordinate with the clients to ensure the alignment of the projects.
- Stay updated with current technologies and trends in social media, design tools, and applications.

**What you'll need:**

- 2-3 years of proven work experience as a Social Media Manager.
- Ability to deliver creative content (text, image, and video).
- Copywriting skills, interest and deep knowledge of all social media platforms and analytics.
- Strong understanding of the social and digital content landscape - experience working with a variety of categories.
- Excellent communication skills in English and Greek (written and spoken).

If you find this opportunity exciting, please send your cv to [vassiliki.fouska@wundermanthompson.com](mailto:vassiliki.fouska@wundermanthompson.com) or apply [here](#)
