

Nurses to Sweden

If you are a nurse and interested of living in Sweden this might be something for you!

We are looking for nurses for Region Östergötland, in the south of Sweden. Östergötland is the fourth most populous region of Sweden with approximately 442 000 inhabitants. It is an attractive place to live, work and visit. Sweden is known for good economic conditions and social welfare system.

Region Östergötland is part of the public Health Care in Sweden. At our hospitals we provide the health care that our citizens need. We work in close collaboration with the University of Linköping. You will work as a nurse at one of our clinics in Surgery or Orthopedics, either at the **University Hospital** in the city of *Linköping* or at **Vrinnevi Hospital** in the city of *Norrköping*. University Hospital in Linköping has been named the best university in Sweden and Vrinnevisjukhuset in Norrköping was on the podium in category large Hospital in Sweden by the newspaper [Dagens Medicin](#) 2014.

Qualification: You have a degree of Bachelor of Science in Nursing.

The process

In January your employment at Region Östergötland starts:

- You will be paid salary according to collective agreement.
- Your language studies will be paid for during the first year.
- The employer will help you to find your first accommodation.
- You will get a buddy family that will support you in your daily life in Sweden.
- Month 1-3 you will take a full time intensive language course.
- Month 4-5 you will study part time and simultaneously start your individual introduction program at the clinic, where you will have your own instructor.
- Month 6 you will start working full time at the clinic. The employer will pay your language studies for 5 additional months - the language studies will though at this point be outside working hours. Together with your instructor and employer you will make a personal development plan.

In the beginning of October the employer will visit Athens and Thessaloniki at Eures "Sweden week" where the interviews will be held.

If you get an offer for work in Region Östergötland we will invite you to visit our clinics and hospitals in Linköping and Norrköping. Your trip and stay during this visit in Sweden will be paid for. After the visit to Sweden you can decide whether you accept the offer for work or not.
