Project: Let’s speak English at school!

Your mission is to make the children discover and practice the english language in schools. The children are aged between 5 to 9 years old. To that aim you will be expected to:

- Collaborate with teachers in order to promote the english language in a fun and entertaining way;
- Create, contribute, organize and take part in workshops designed specifically for children by using a large variety of activities;
- Participate in activities designed to maintain close contact with parents, teachers and the local authority;
- Be prepared to take part in the everyday life of the school (eg. celebrations, end of term shows, etc);
- Participate to the staff meetings;
- Support the school in its day to day activities.

Join us if your profile fits these qualities:

- You are a native English speaker or you have a high level of the English language;
- You are used to working with children in different situations;
- You already have a basic knowledge of French (speaking, listening).

Duration:

- The project will last 10 months
- You will be expected to work a 30 hours a week
- Starting date: **August 30, 2021**
